## School Performance Data 2013 School Year

Dear Members of the St John's School Community

The Australian Government accountability regulations require schools to report information on the school context, key student outcomes and information on satisfaction of the previous school year within six months after the end of the school year.

### CONTEXTUAL INFORMATION

St John's School in Scarborough is a co-educational, single stream Catholic primary school catering for students from Kindergarten to Year 6. A Three Year Old Programme also operates on two days of the week within the Kindergarten room. The school is situated in a seaside suburb to the west of Perth.

St John's forms an educational community of students, staff and parents within a welcoming and nurturing environment. The school offers a curriculum which embraces the nine learning areas, adhering to the expectations of the Australian Curriculum, within an integrated learning environment. The school also incorporates social and pastoral programmes that supports students to grow towards their full potential.
